

\* attention:

As I was writing a letter to express our gratitude for the most awesome group of people we have ever worked with: I would like to put Chris W. at the top of the list because without his expertise & guidance this could not have happened. Chris went above & beyond to meet our needs. He was so knowledgeable & helpful & answered all our questions. His caring way an encouragement & all ways smiling lead us to see how much he enjoyed & enjoys his work. He is a great Representative to Service Master Restore.

Forever Grateful  
Don & Sandra O'Neil
